

## ABOUT UNIVERSITY BOOK STORE

Founded in 1900, University Book Store is the largest independent bookstore in Washington State, and is also the nation's largest college store based on total sales of books and student supplies.

University Book Store carries an impressive selection of more than 160,000 book titles, along with a varied merchandise mix that includes school, art, and office supplies, University of Washington (UW) insignia gear, gifts and computer products.

Since 1964, University Book Store has been organized as a for-profit corporate trust to benefit UW students, faculty, staff and alumni. All profits not required for store operations or growth are returned to the UW community through an annual customer rebate program, lower textbook prices, discounts, scholarships and other benefits.

Seven stores currently operate throughout the Puget Sound area. For more information, visit

## ADDITIONAL PiE EVENTS & SERVICES

### EDUCATORS APPRECIATION MONTH

Every fall, we host an Educators Appreciation Month to help kick off the new school year. Throughout the month, PiE members receive an additional 5% discount on qualifying purchases in addition to opportunities to receive giveaways, enter to win prizes, meet local authors and illustrators, and shop our semi-annual Kids Book Sale.

### SCHOOL FAIRS

Jump-start fundraising at your school by scheduling a school fair at University Book Store. We will donate a percentage of purchases made by your school community during the event directly back to your school—choose between 25% store credit or 15% cash. School fairs are also the perfect opportunity to use our store as a venue to showcase student talents and clubs, in addition to displaying student artwork.

### ACADEMIC PRICING ON SOFTWARE

PiE members receive significant discounts on selected software—including Microsoft, Adobe, and Macromedia—for school or personal use. Please present your PiE card at the time of the transaction to receive the member discount, and note that some software purchases may require additional academic ID.
